

2023 Texas STMA Sponsorship Opportunities

The TXSTMA is very excited to announce the Advertising and Sponsorship program. We have used this program for the past several years and have added features each year to simplify the process and to respond to the feedback we have received from our valued affiliate members. Our goal is to offer opportunities for sponsorship and recognition to our very valuable and loyal affiliate members and companies. We absolutely could not provide our members the programs and services that we do without our wonderful partners.

We trust there is a level of opportunity for all sponsors and look forward to great participation again this year.

IMPORTANT POINTS OF THE PROGRAM

- *Your company can “order off the menu” to tailor a sponsorship program that fits your budget, marketing program and target customers.*
- *We will work with your company throughout the year to help you utilize your sponsorship dollars as events are scheduled.*
- *If you reach a “Star Level” during the year, we will celebrate through recognition on website and newsletter.*
- *Membership dues paid by your company will apply to your “Star Level” for the year. This will benefit our most active affiliate companies.*
