

Position Description

Golf Course Maintenance – Assistant Golf Course Superintendent

The Assistant Golf Course Superintendent reports directly to the Golf Course Superintendent. Under the Superintendent's supervision, the Assistant Superintendent directs and participates in the maintenance of all areas on the property. The Assistant Superintendent also supervises maintenance and repair of motorized and mechanical equipment and does related work as required. The Assistant Superintendent may serve in the Superintendent's capacity during his/her absence.

Typical Functions:

The Assistant Golf Course Superintendent:

- Assists in planning and supervising the maintenance of all turf and native areas; Schedules work and supervises the employees and the use of equipment.
- Instructs groundskeepers on the safe operation and care of mowing and other equipment; supervises pesticide applications and/or calibrates and operates pesticide application equipment; supervises and participates in the operation and maintenance of the irrigation system.
- Assists in personnel management and evaluation, employee safety, personnel discipline and may also modify the daily work schedule based on professional interpretation.

Employment Standards:

- Minimum 2-year turf degree or certificate.
- Minimum 2 years' experience as an Assistant Superintendent.
- Working knowledge of all aspects of golf course maintenance, landscape maintenance, and irrigation – Toro Lynx Central and LTC plus satellites.
- Ability to efficiently schedule/supervise maintenance work. Prepare clear and concise reports and maintain effective employee and public relations.
- Possession of valid driver's license.
- Requires current Texas Department of Agriculture pesticide applicators license or obtain within 60 days of employment.
